7. METHOD OF EVALUATION AND AWARD

- Delete the second and third sentence.

OWNER's mission is to provide the highest quality of care to its patients. ~~For continuity of care and other reasons, OWNER will enter into an exclusive contract for each component described. (The exception is that an attending physician on OWNER's staff may request any physician to provide a specific procedure or consultation for a patient.)~~ Once OWNER makes an initial selection, it will utilize required compliance considerations, and negotiate fair market value compensation for the services under the agreement. Based upon this process, OWNER will then negotiate a final contract(s) with PROPOSER and present the contract(s) to the BCC for approval.

8. SUBMITTAL REQUIREMENTS
